

Pehelwaan ji!

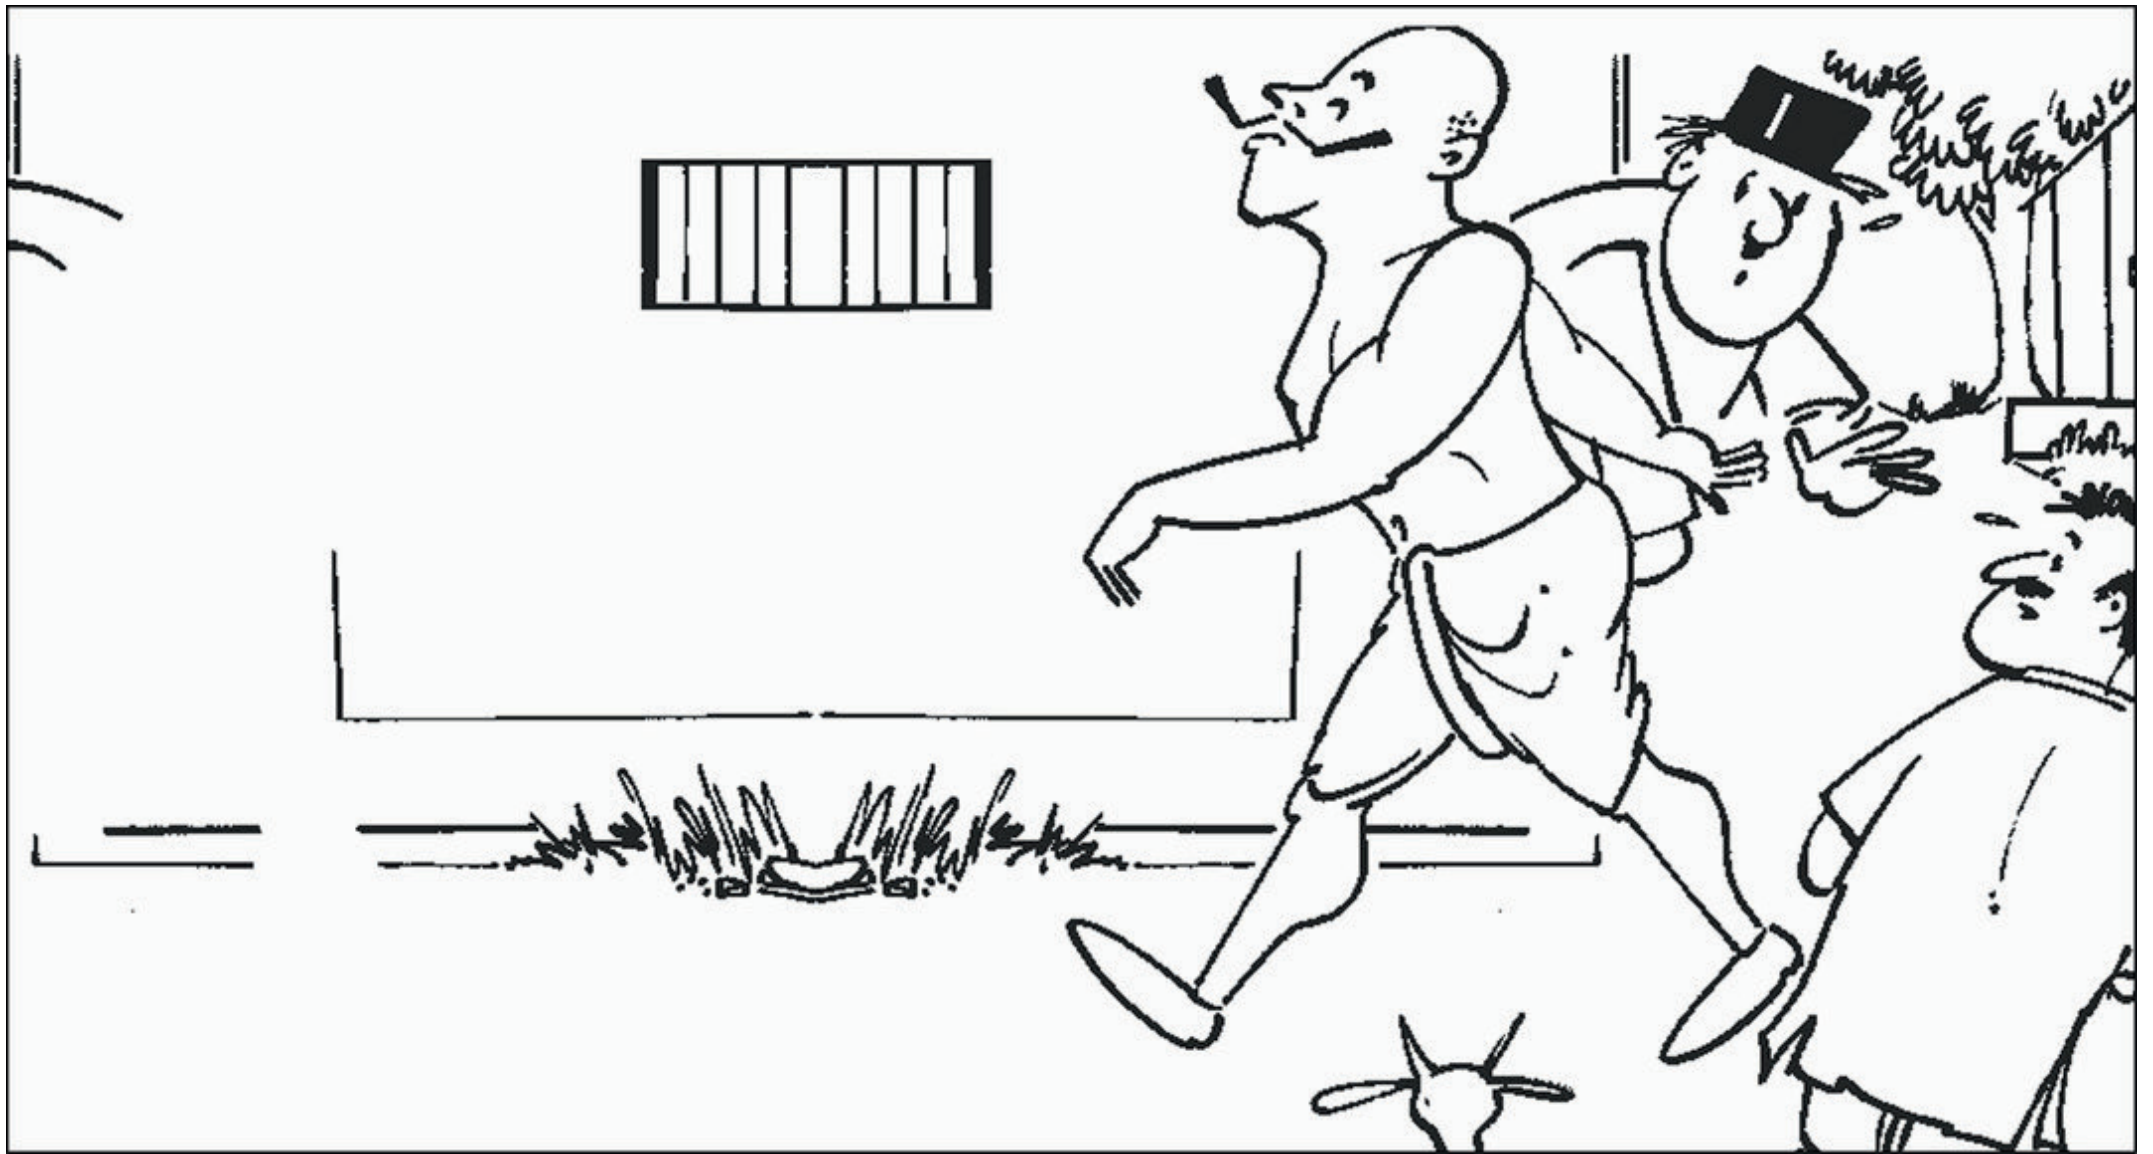

Il boit dix litres de lait par jour.

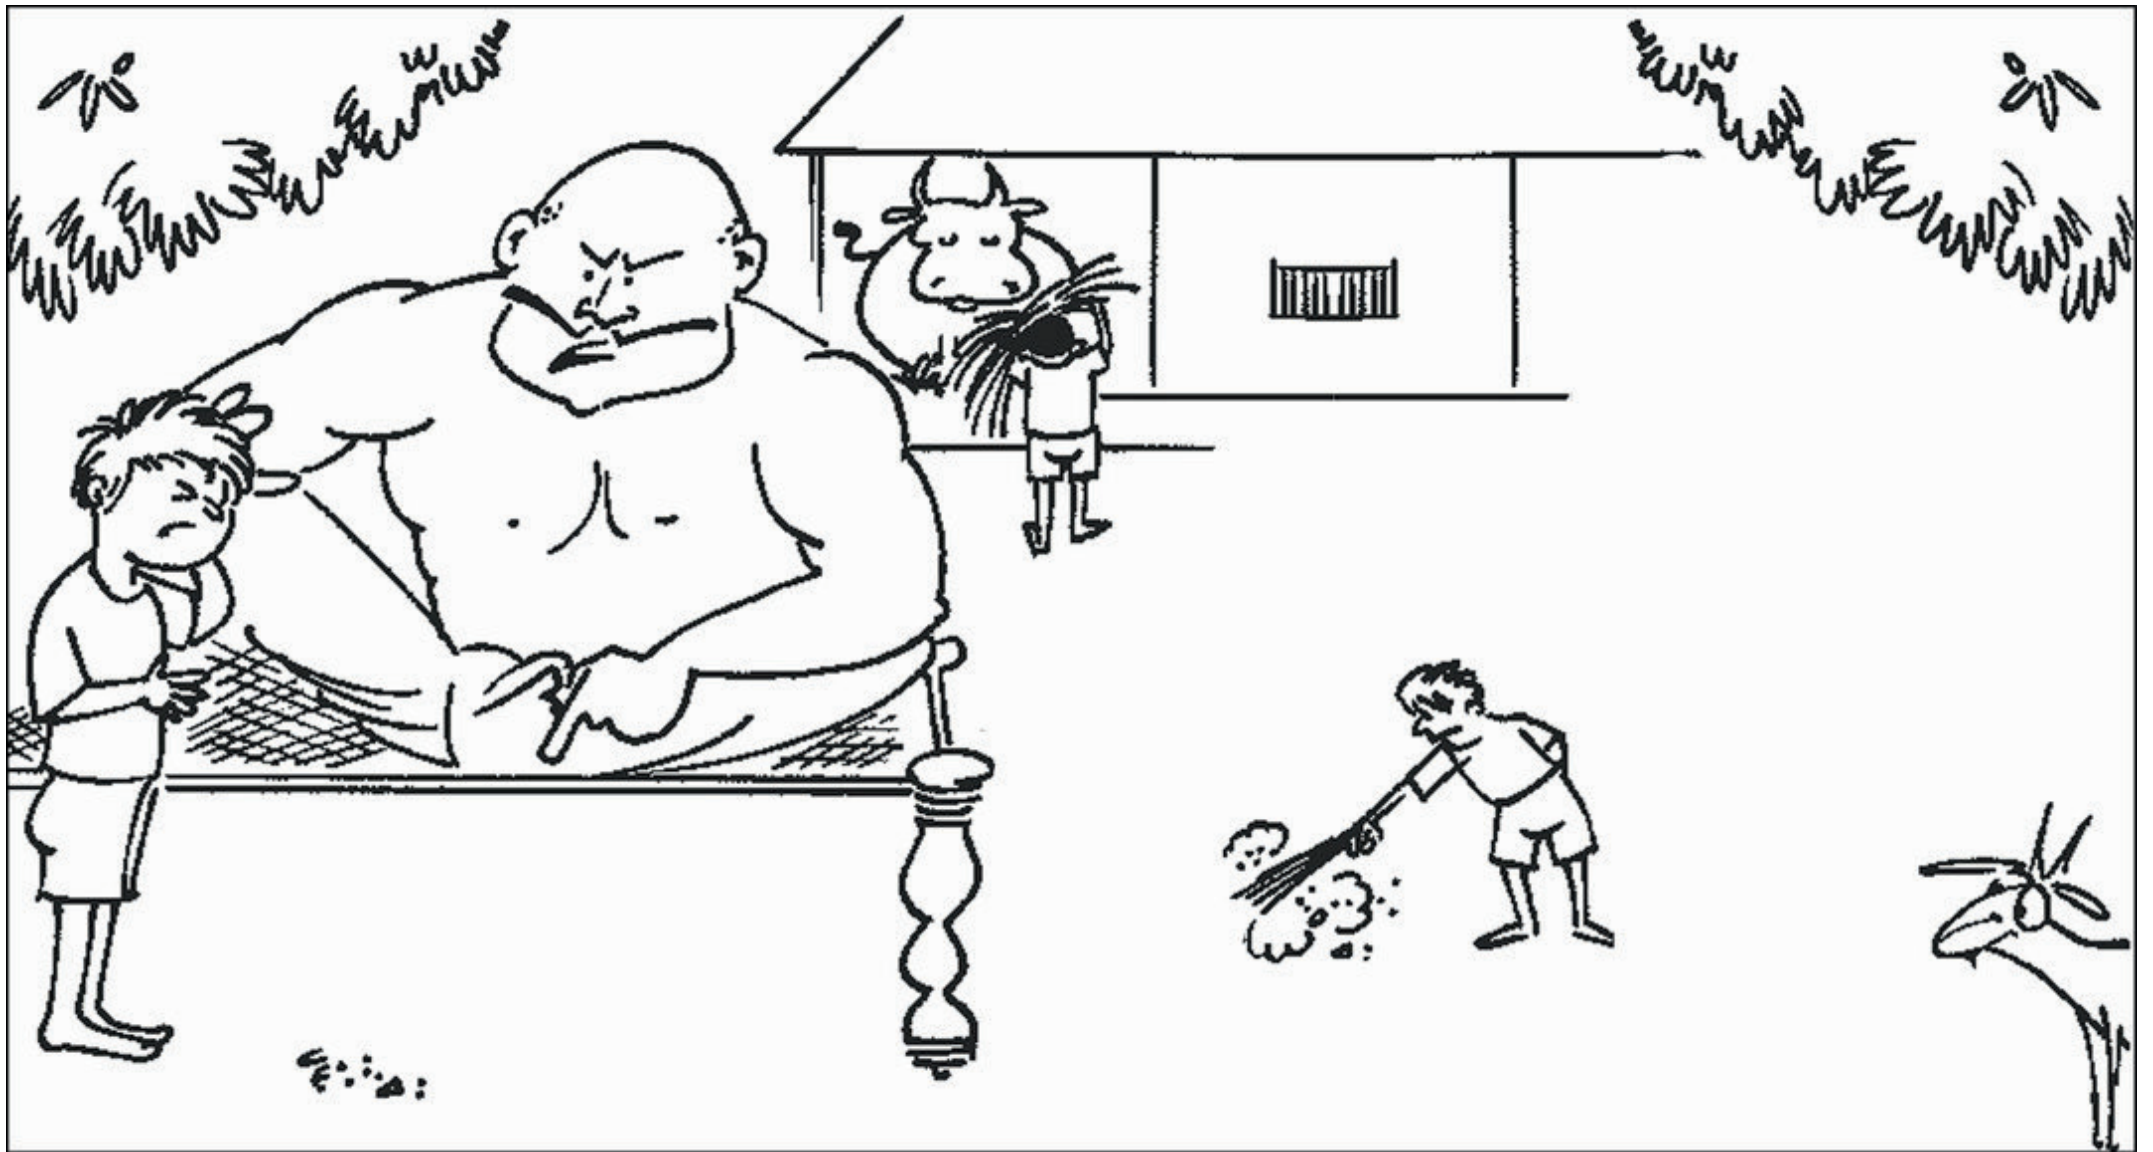

Il mange cinquante tranches de rôti.

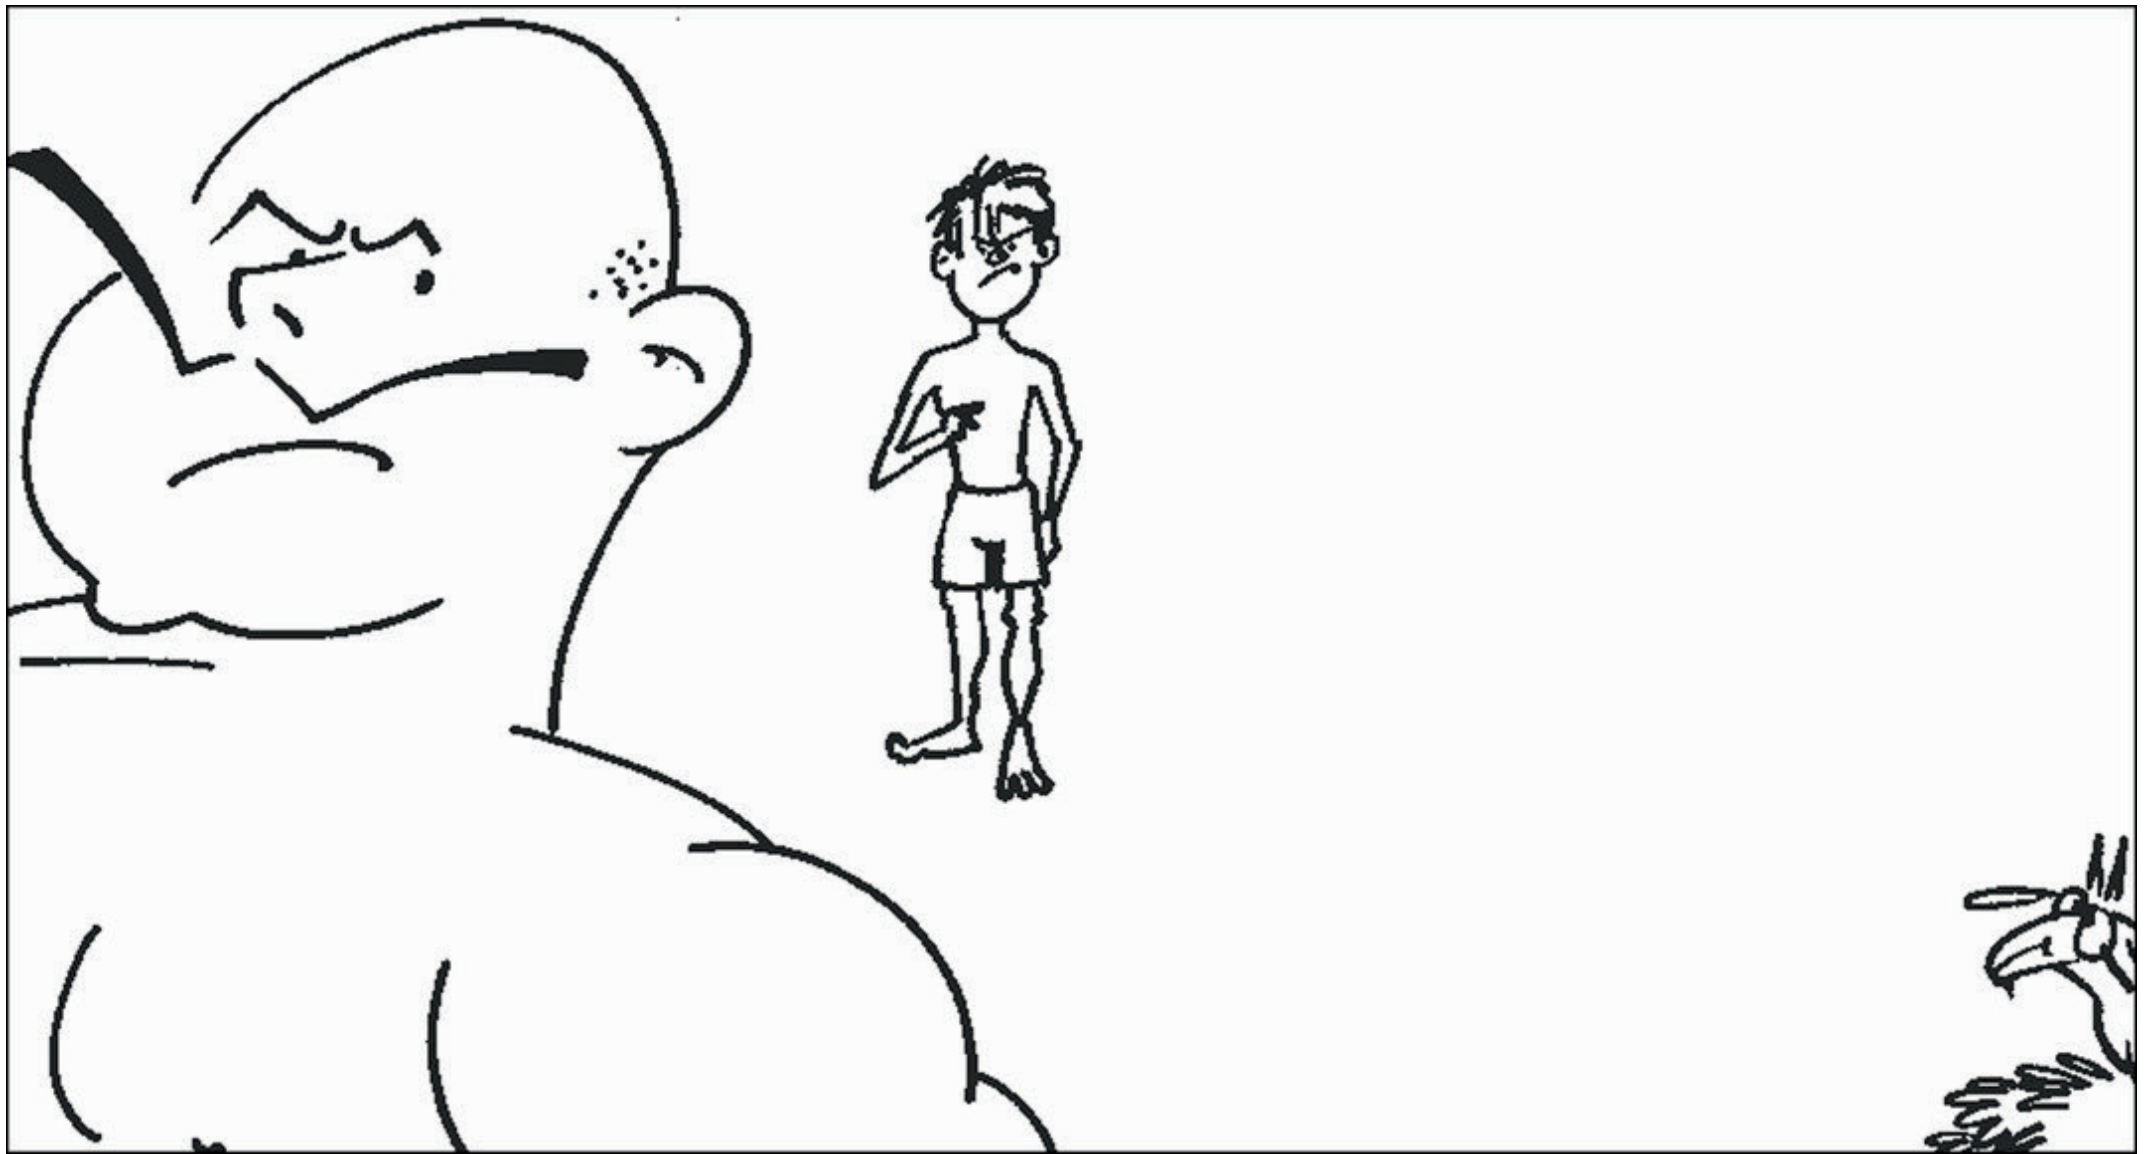

Il soulève des poids de cent kilos.

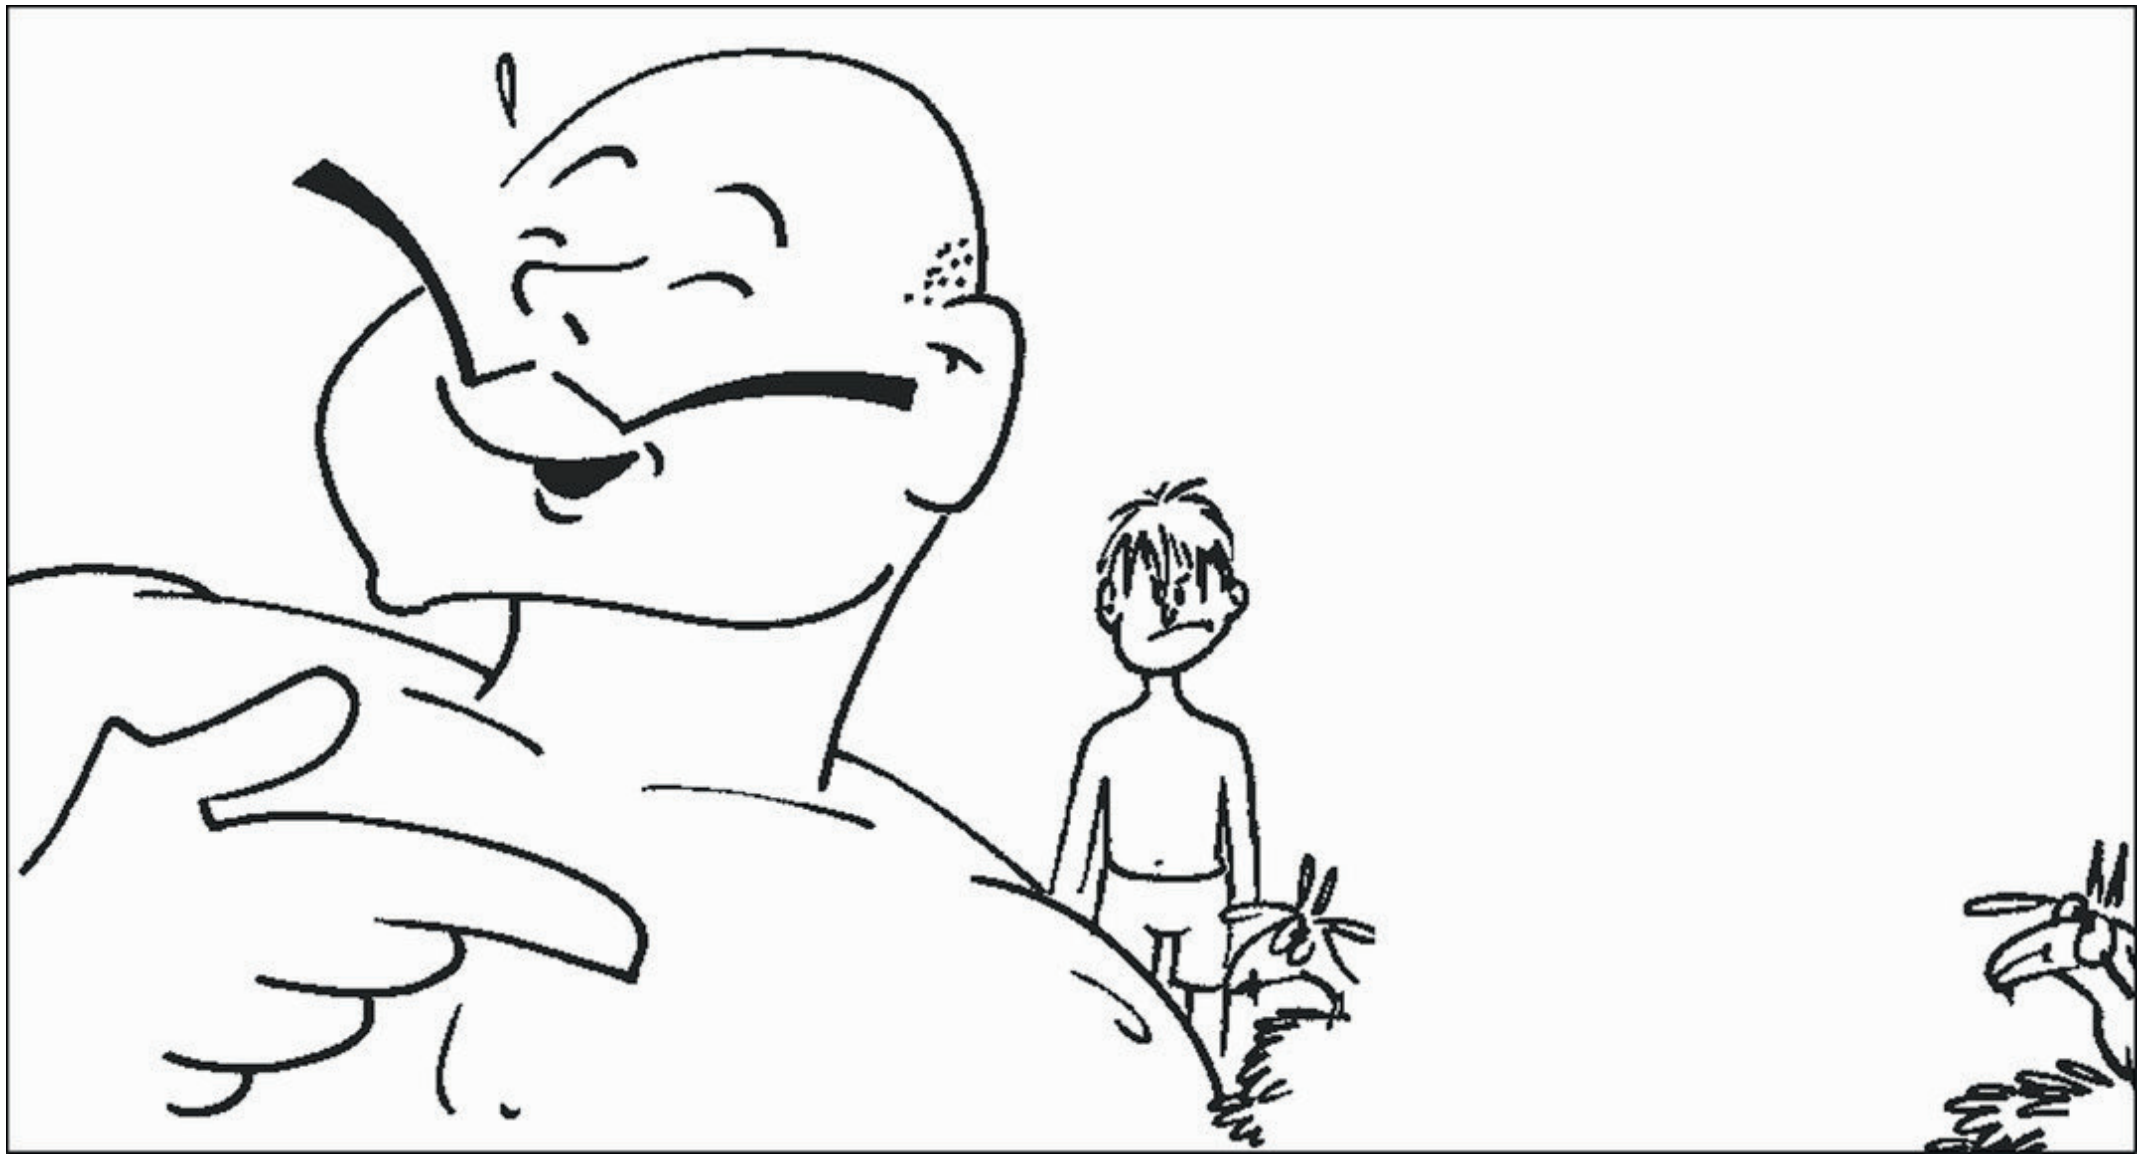

Il marche en fanfaronnant.

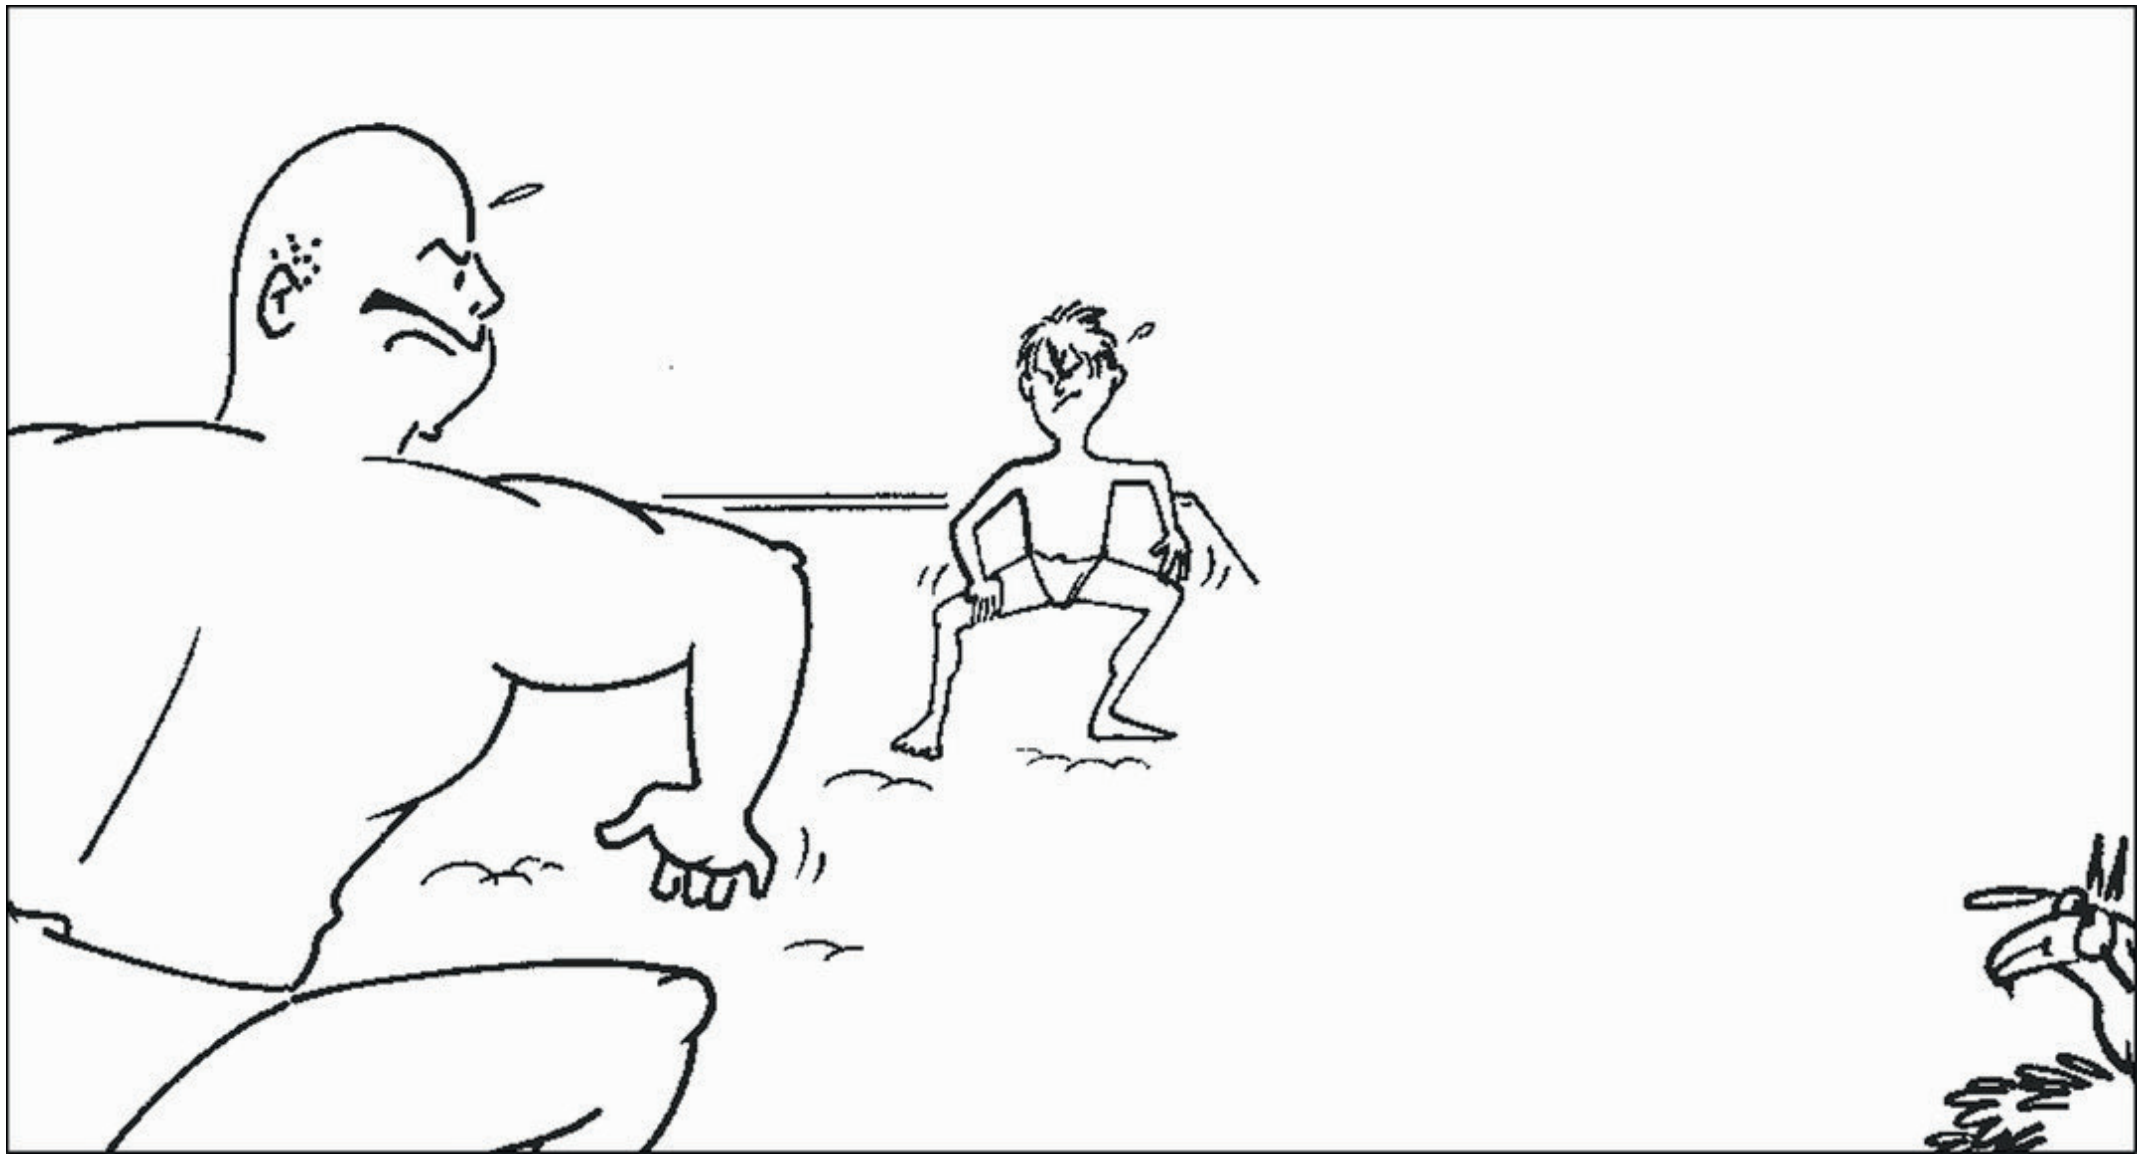

Il donne des ordres à tous les enfants.

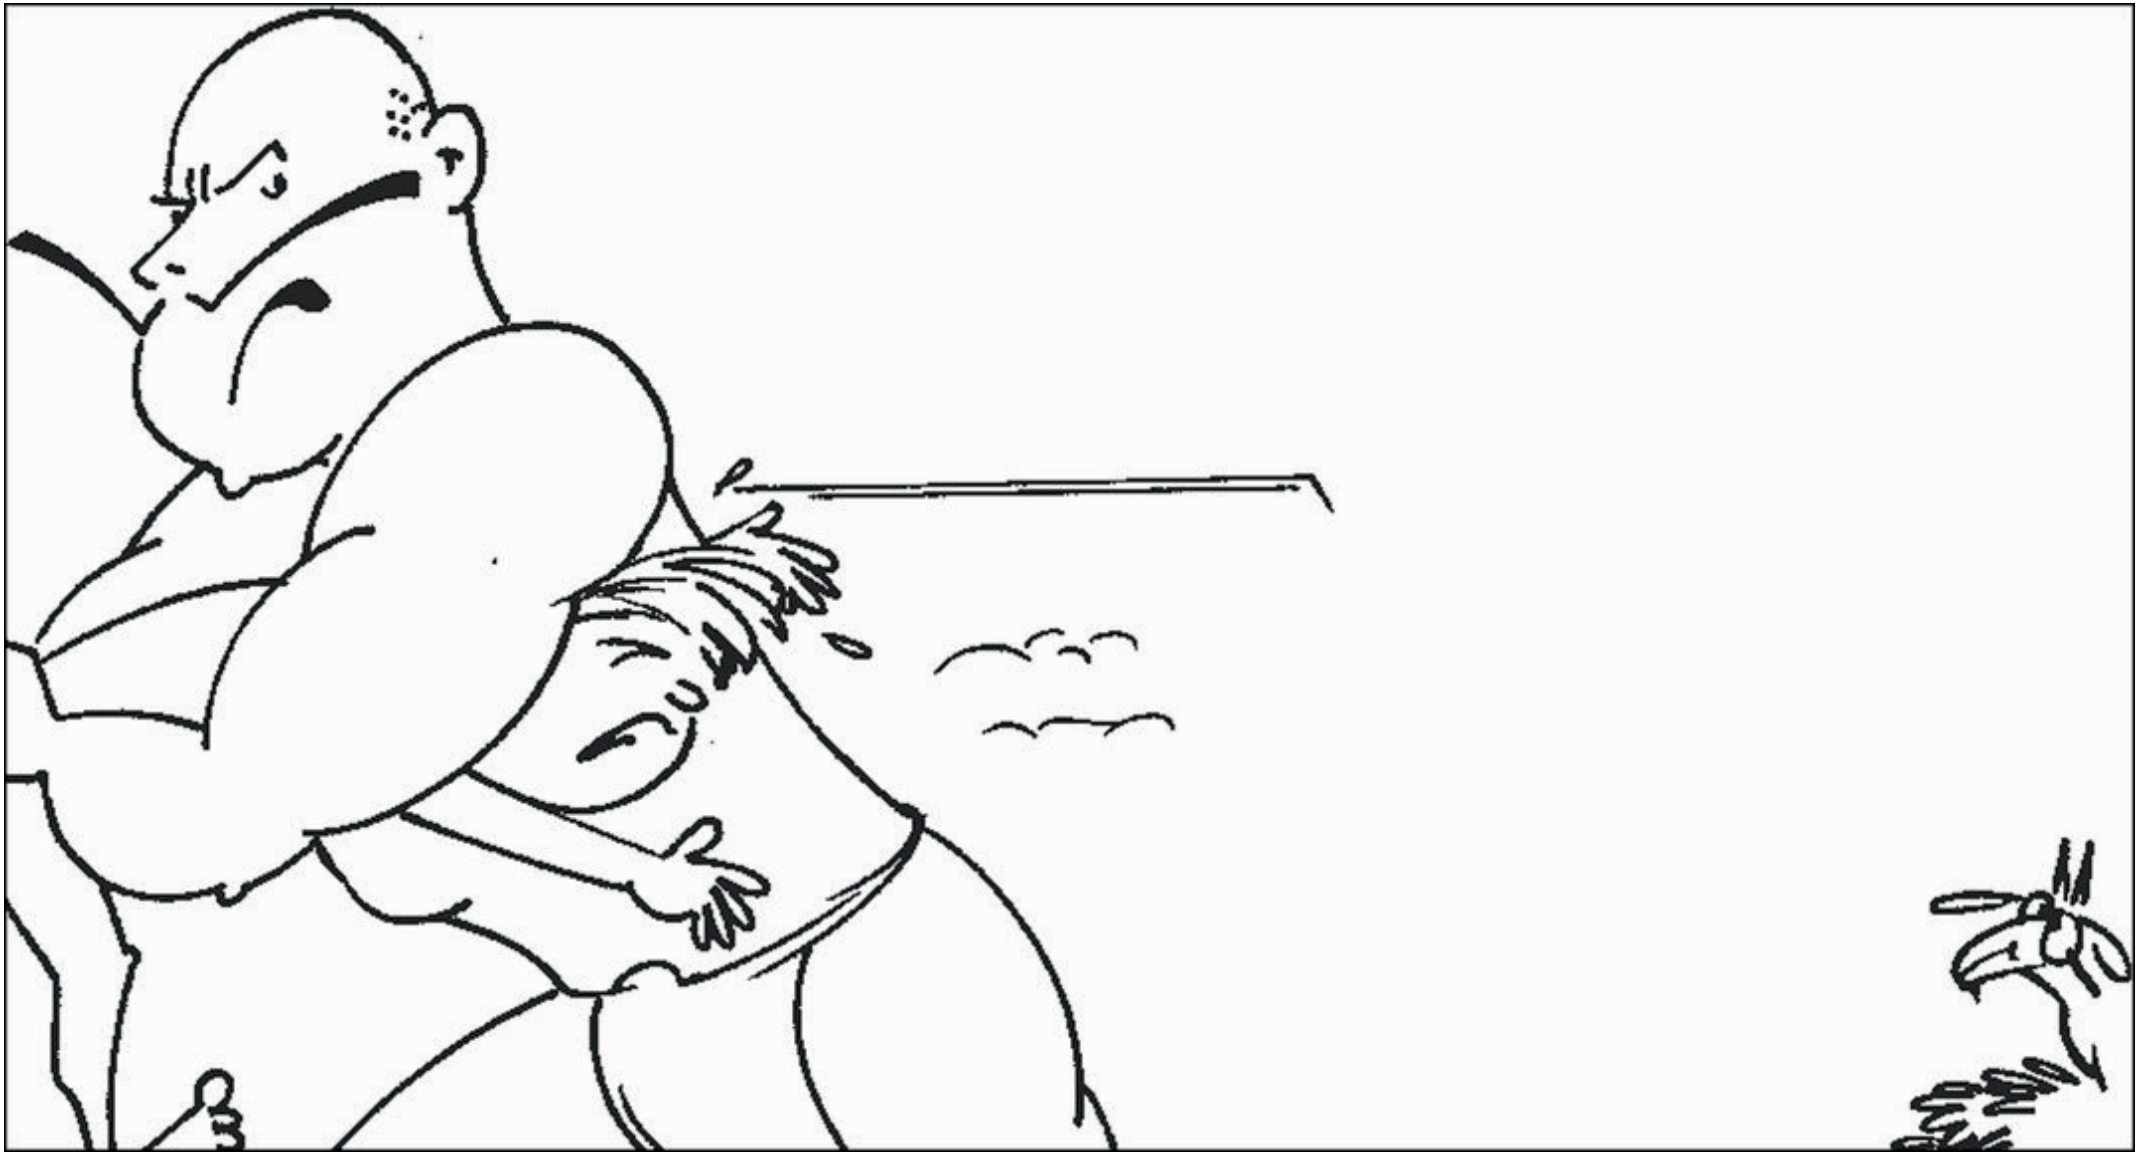

Un jour, Gappu lui dit:
– Veut-tu lutter contre moi?

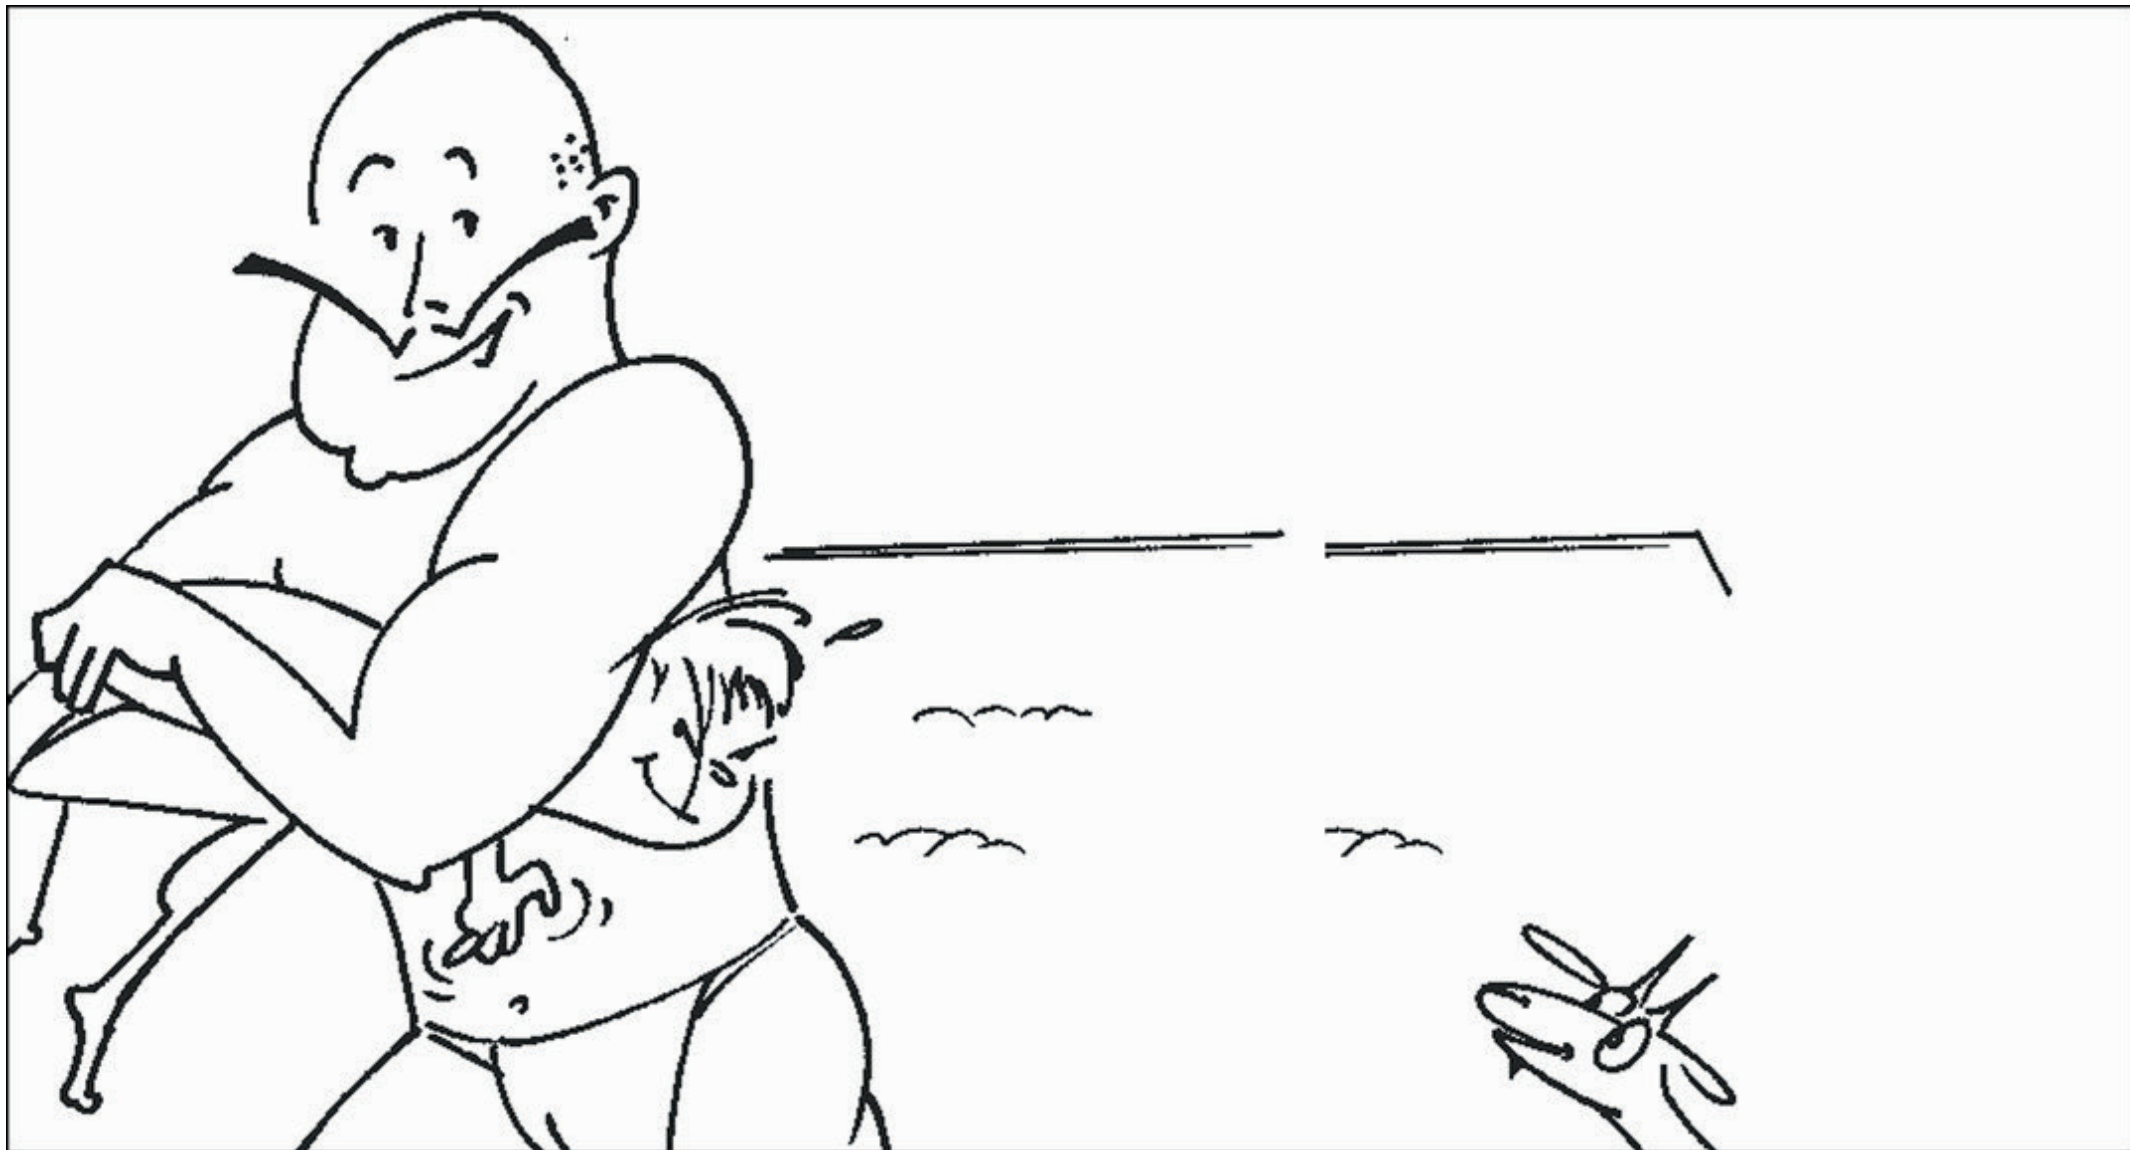

Pehelwaan éclata de rire et puis accepta.

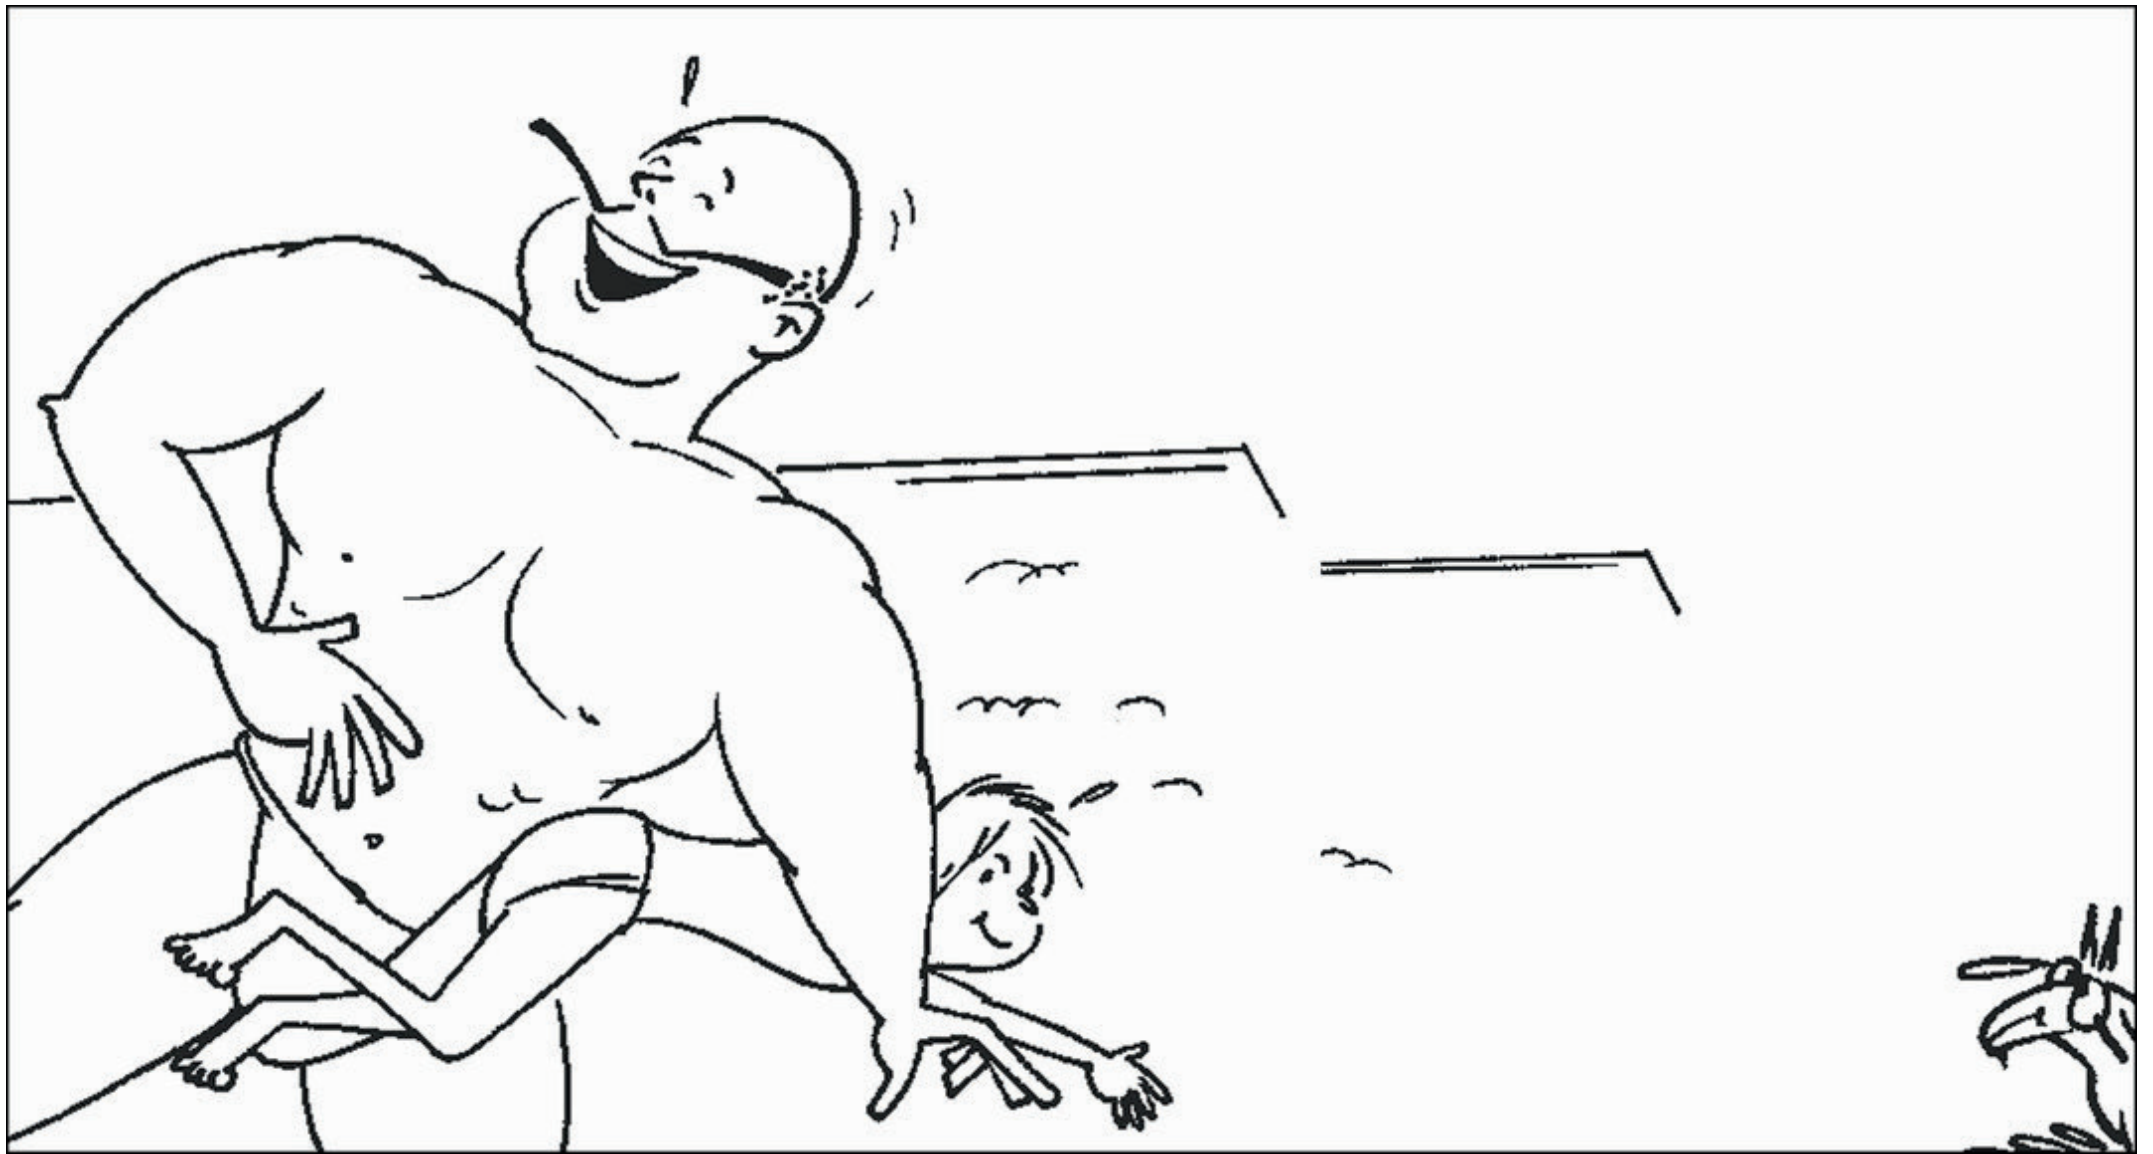

Ils se giflèrent les cuisses!

Pehelwaan ji attrapa Gappu.

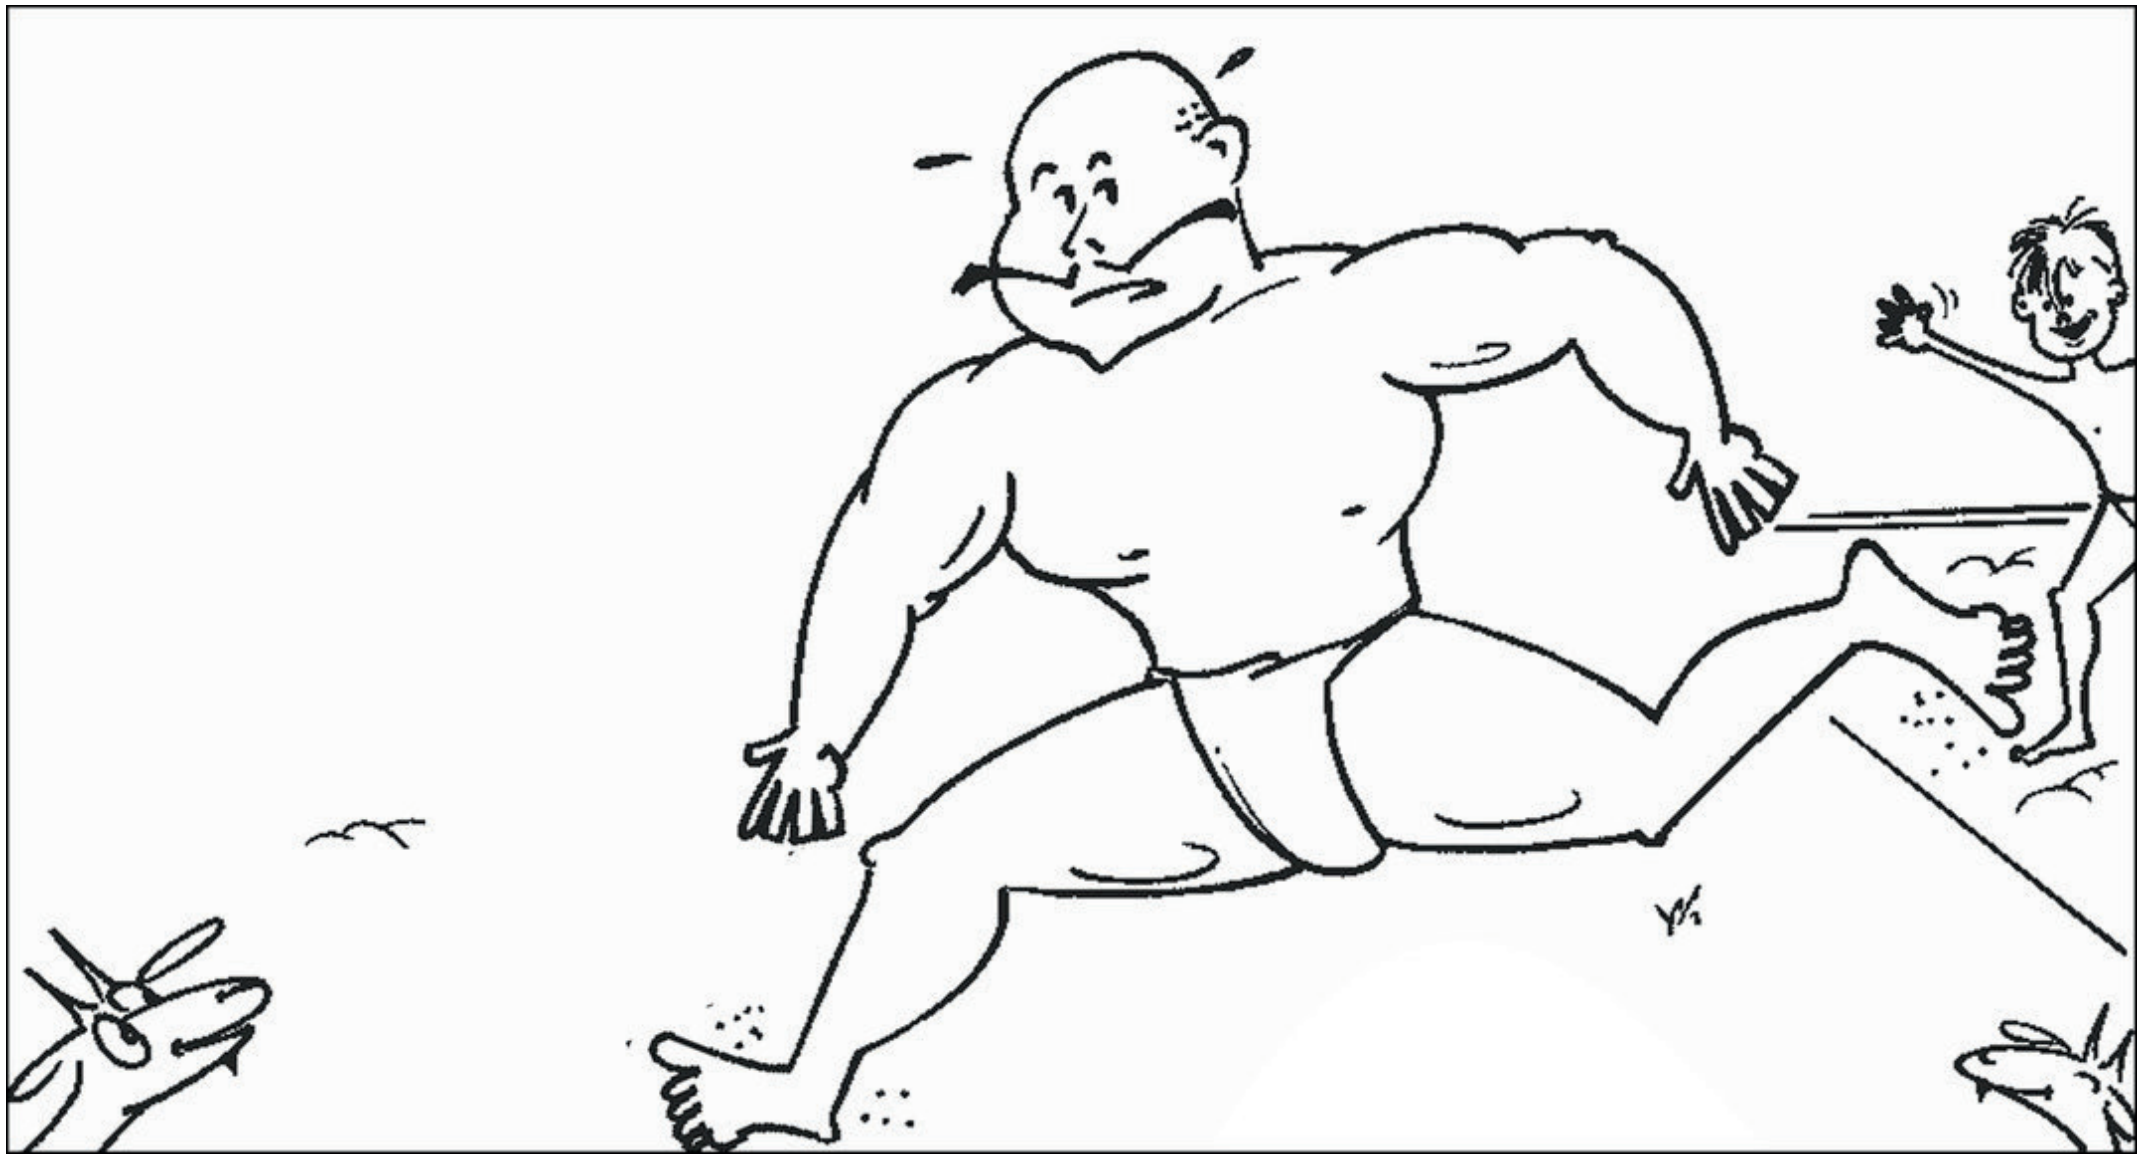

Gappu lui chatouilla le ventre.

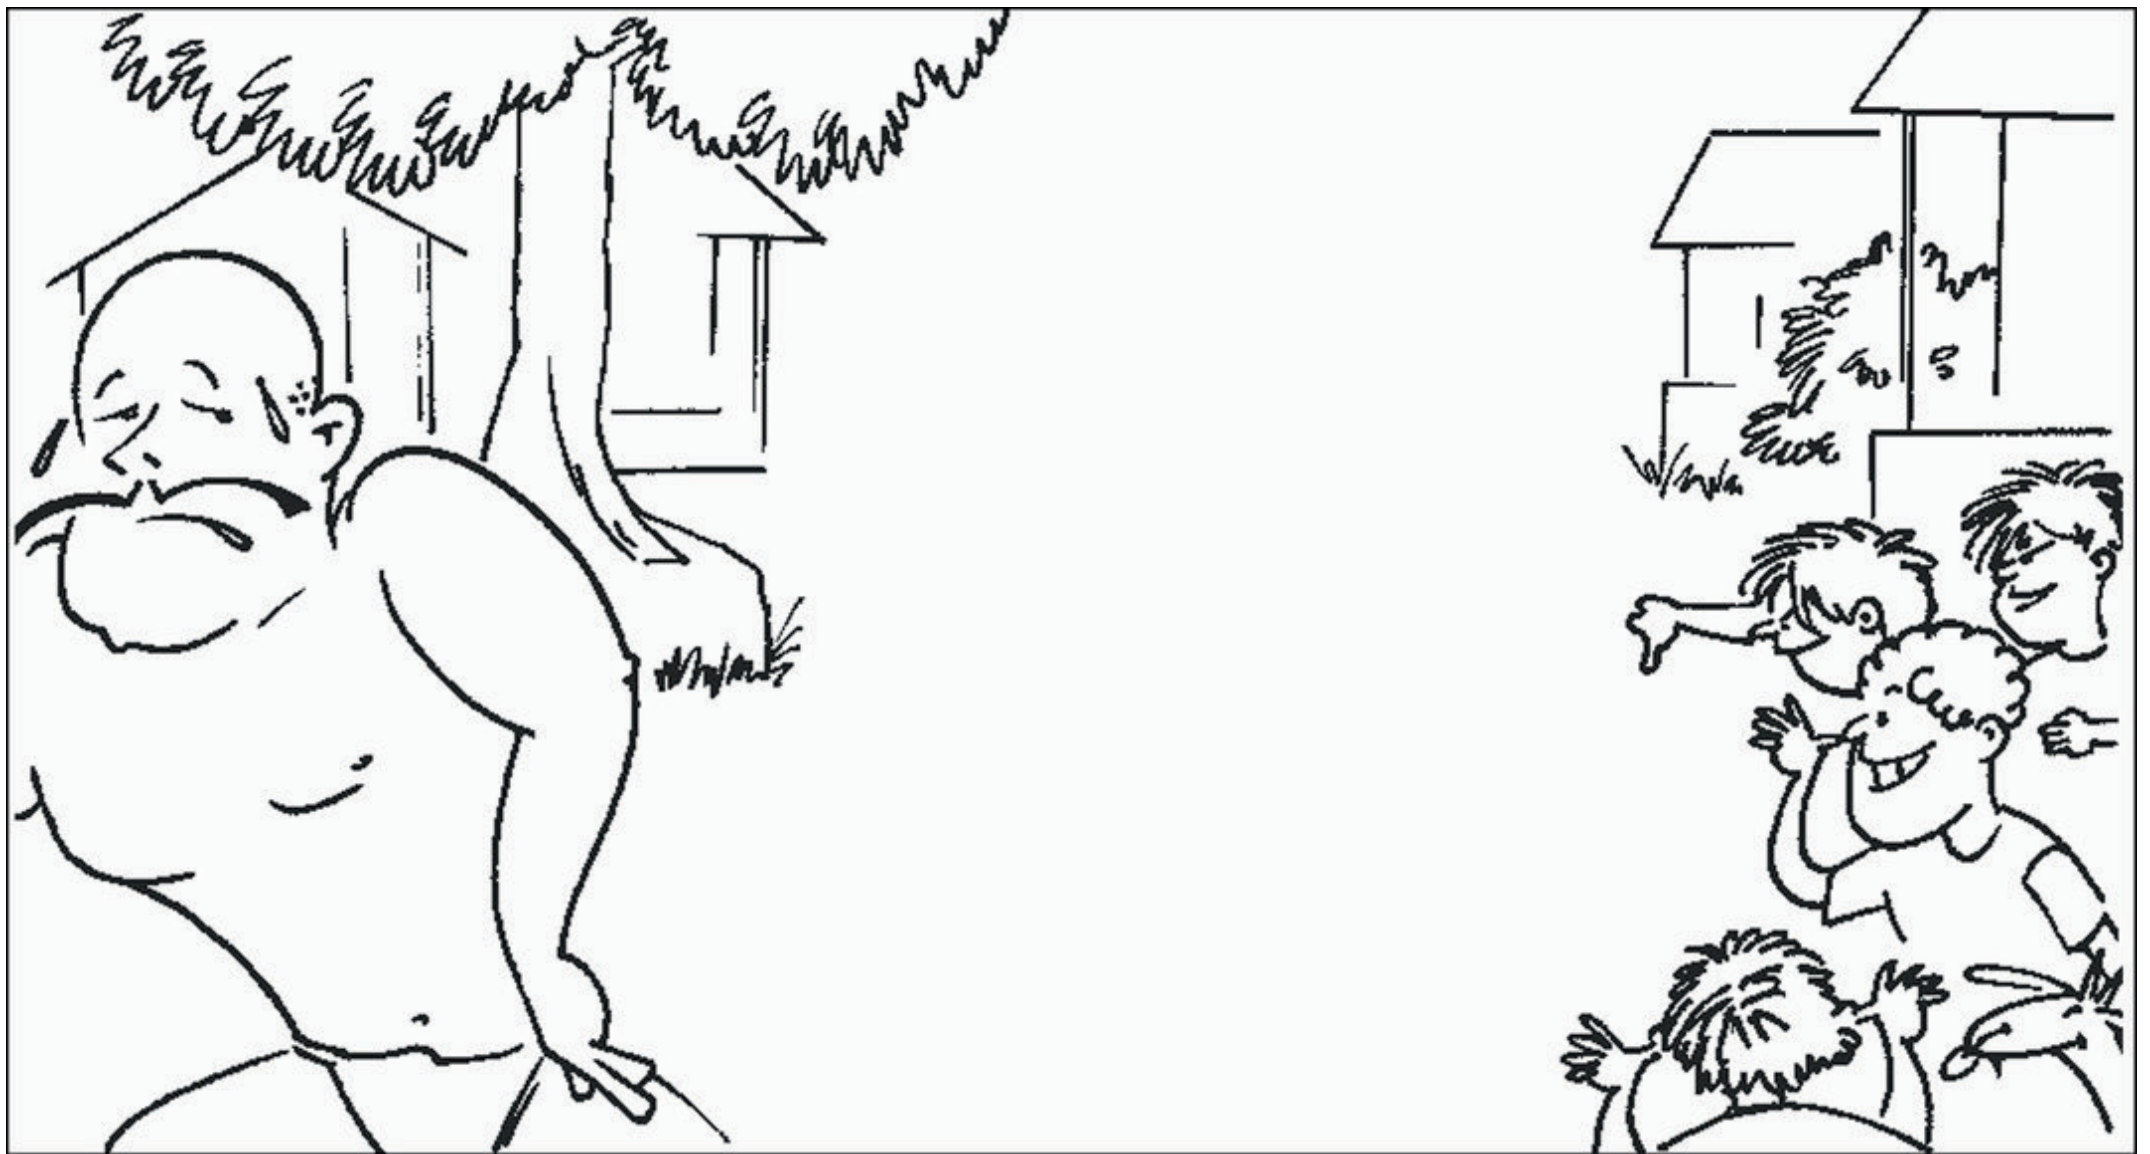

– Hee... Heee... Heeee... Pehelwaan ji tressauta de rire!

Et comme Gappu le chatouillait, Pehelwaan ji commença à danser.

Ha...Ha...Hee...Hee...Hoo...Hoo...
Pehelwaan ji roula d'impuissance et s'enfuit.

Depuis, les gamins n'ont plus peur de lui. C'est lui qui a peur d'eux.
