

Billy, la petite fourmi intelligente (French)

Billy propose une nouvelle façon d'entraîner les fourmis à trouver de la nourriture, via la technologie humaine que l'on appelle les livres. Billy enseigne aux fourmis une façon plus intelligente, plus rapide et plus efficace de trouver de la nourriture, ce qui suscite controverse et désaccords au sein de la colonie.

This is a Level 3 book for children who are ready to read on their own.

Pratham Books goes digital to weave a whole new chapter in the realm of multilingual children's stories. Knitting together children, authors, illustrators and publishers. Folding in teachers, and translators. To create a rich fabric of openly licensed multilingual stories for the children of India and the world. Our unique online platform, StoryWeaver, is a playground where children, parents, teachers and librarians can get creative. Come, start weaving today, and help us get a book in every child's hand!
