

L'un ou l'autre (French)

Les ordinateurs comprennent un langage particulier appelé le binaire. Il ne comporte que deux symboles, le 1 et le 0. Mais cela suffit à lui transmettre les messages les plus compliqués.

This is a Level 3 book for children who are ready to read on their own.

Pratham Books goes digital to weave a whole new chapter in the realm of multilingual children's stories. Knitting together children, authors, illustrators and publishers. Folding in teachers, and translators. To create a rich fabric of openly licensed multilingual stories for the children of India and the world. Our unique online platform, StoryWeaver, is a playground where children, parents, teachers and librarians can get creative. Come, start weaving today, and help us get a book in every child's hand!
