

Quelle est la taille d'un requin-baleine ? (French)

Un requin-baleine est un gros poisson. Quelle taille fait-il ? Est-il plus gros qu'une baleine bleue ? Plus petit qu'un dauphin ? Ce petit livre aborde le concept de comparaison dans le monde marin.

This is a Level 3 book for children who are ready to read on their own.

Pratham Books goes digital to weave a whole new chapter in the realm of multilingual children's stories. Knitting together children, authors, illustrators and publishers. Folding in teachers, and translators. To create a rich fabric of openly licensed multilingual stories for the children of India and the world. Our unique online platform, StoryWeaver, is a playground where children, parents, teachers and librarians can get creative. Come, start weaving today, and help us get a book in every child's hand!
