

Madugu ya raba kafafu (Hausa)

Why does the millipede have so many legs when the snake has none?

This is a Level 2 book for children who recognize familiar words and can read new words with help.

PRATHAM BOOKS

Pratham Books goes digital to weave a whole new chapter in the realm of multilingual children's stories. Knitting together children, authors, illustrators and publishers. Folding in teachers, and translators. To create a rich fabric of openly licensed multilingual stories for the children of India and the world. Our unique online platform, StoryWeaver, is a playground where children, parents, teachers and librarians can get creative. Come, start weaving today, and help us get a book in every child's hand!
