This book was published through the help of the local community, friends, Room to Read, Eric Clock and Tam Le. It is dedicated to Quyet Hung Le and Thi Nguyet Chau, two amazing parents who sacrifice so much to give their children the gift of education and gave me the opportunity to give the gift of education too.

Room to Read seeks to transform the lives of millions of children in developing countries by focusing on literacy and gender equality in education. Working in collaboration with local communities, partner organizations and governments, we develop literacy skills and a habit of reading among primary school children, and support girls to complete secondary school with the relevant life skills to succeed in school and beyond.
